Dear Mr. Gordon:

25X1

This is to acknowledge receipt of your letter of 2 August regarding information transmitted to us through you from ☐. We have processed this information and have found some of it to be most interesting and helpful. We are, of course, always pleased to receive such material.

Some of the material which you handed to Mr. Pforzheimer in January was of a domestic nature, and I forwarded it to the FBI, as I stated in my letter to you of 1 February. I do not know what use they have made of it, but I am certain that they have found it interesting. I believe the suggestion made by ☐ to which you refer in your last letter, was mostly contained in this latter material.

I do not know whether we can make any active use of ☐ services, but if he is desirous of employment here he should file with us two copies of the regular Form 57 (Application for Federal Employment). We will be happy to review it in the light of existing vacancies to see if there is any possibility for employment here.
